

Campaign Update #21: Grateful. Humbled.

This is how we are feeling at Light of Christ Catholic Schools these days.

Grateful.

- For the \$22.1 million raised, only \$13.9 million away from the \$36 million needed to break ground this fall.
- That more families are choosing a Christian Catholic education for their children.
- Because God continues to bless our students with motivation to improve themselves and their communities.

Humbled.

- By hundreds of families who entrust their children to us so we may inspire a love of God, faith and learning in them.
- With the monetary and prayer support given by many to make this vision a reality.
- Knowing that God has blessed us with the challenge to touch more lives, and is reminding us daily that He is the one who deserves the glory.

We are excited to release two new videos today that update our campaign initiatives. Learn about the journey of some of our donors and why they chose to support our campaign. Listen to some of our teachers as they share their excitement for our elementary expansion plans, welcome the sixth grade to the Academy next year and dream about the new campus for SMCHS.

Click on the photo below to view the new campaign brochure and the architectural renderings and footprints of the additions planned for St. Mary's Grade School and Saint Anne School.

Saint Anne School addition

St. Mary's Grade School addition

We are in the midst of Catholic Schools Week. Our students and families will enjoy presentations, Masses and special events. The week closes with the Annual SMCHS Carnival, when our doors open to several thousand community members. One wonders how many goldfish have been given away and how many pieces of chicken have been served over the years! We hope to see you there.

Join us for the SMCHS Carnival, February 3-5!
