

Campaign Update #39: 2,000 Donors Goal Announcement & \$40 Million Raised To Date!

With grateful hearts, we are excited to announce that we have reached another major benchmark in our Keep the Promise Capital Campaign.

[WE'VE SURPASSED \\$40 MILLION RAISED TO DATE!](#)

We have been blessed by approximately 1,500 donors that have made a one-time donation or a 3-5 year pledge for our campaign. To keep building this momentum, we are setting a big goal and offering this challenge to our friends, family and the community of Bismarck-Mandan...

[LET'S REACH 2,000 DONORS!](#)

If you haven't made a pledge yet, please prayerfully consider joining our campaign now. The charts below are examples of pledges with monthly, quarterly and semi-annual payment plans.

As a sign of our thanks, there are many ways for your family name or memorial to be recognized at the new SMCHS. You can choose if you would like your name on a stadium seat, a chair in the new auditorium or on a window in the new chapel!

The next financial update will be released when we've reached 2,000 donors participating in the campaign. Please encourage your friends and family to join this once-in-a-lifetime project to enhance Catholic education in Bismarck-Mandan. Thank you for keeping the promise to the next generation!

Construction continues at the new SMCHS!

This is the future front entrance of the Academic Center at the new SMCHS.

St. Mary's Steel

Light of Christ team members were invited to TrueNorth Steel in Mandan to review the plans for structural steel at the new SMCHS. The photos below show the actual steel framing that will support the new high school building!
